Excited?

Before you rush off and start selling your socks off,
there are just a few things you need to know...

1. Orders must be placed online and on time. So that means no paper order forms or orders via Fast Trak.
2. To achieve the Level 2 gift in Stage 3 & 4, you must reach the higher sales level of **£148** in both campaigns.
3. Your gifts will be sent to you in the orders in which you qualify.
4. You don't have to qualify in all campaigns. For example, if you miss out in Stage 1, you can still aim to qualify in the remaining stages.
